Worship Leader's Interactive Training Workshop

If you lead any element of worship (e.g., read scripture, lead prayer, make announcements, praise team members, musicians), please register for one of the four workshops on our peddiechurch.org website under the "Ministries" dropdown menu. In this interactive training workshop, you will learn how we are evolving our order of worship, in our on-going pursuit to please God and to enhance our collective worship experience. We look forward to seeing you!
